SALES BRIEFING: facebook client meeting - 5th

Meeting: Tue, Sep 16, 12:00 AM

Deal Stage: DISCOVERY

Location: Microsoft Teams Meeting

Key Stakeholders: joshnaacsha@gmail.com

PROSPECT PROFILE & QUALIFICATION

Facebook, a leading social media conglomerate, is exploring advanced digital transformation and cloud migration to enhance their ad campaign performance and data governance ahead of their Terms of Service update in January 2025. Their pain points include managing the complexities of large-scale cloud migration and leveraging generative AI solutions for optimized ad delivery. The precise budget is undisclosed, but given Facebook's scale, it's expected to be substantial. They are looking for solutions to be implemented Q1 2025.

DEAL HISTORY & PIPELINE STATUS

This is the first meeting with Facebook. No previous commitments or budget discussions have occurred. The deal is at the initial discovery stage.

Sales Cycle: Initial prospecting call

COMPETITIVE INTELLIGENCE & MARKET PRESSURE

Facebook is under market pressure to update its platforms with new features and improvements in ad campaign performance due to upcoming Terms of Service changes and the integration of generative AI solutions. The key decision-maker is focused on optimizing ad delivery for incremental conversions, indicating authority and interest in solutions that can drive business growth.
