## SALES BRIEFING: client meet with facebook - opportunities

**Meeting:** Mon, Sep 15, 10:00 PM

**Deal Stage:** DISCOVERY

**Location:** Microsoft Teams Meeting

**Key Stakeholders:** joshnaacsha@gmail.com

### PROSPECT PROFILE & QUALIFICATION

Facebook is seeking to enhance its digital transformation and cloud migration strategies to support its rapidly expanding services and user base. While the budget is not explicitly stated, Facebook's significant investment in technology suggests a high willingness to allocate resources for impactful solutions. Primary pain points include the need to streamline operations, reduce time to market for new features, and mitigate system downtime, which currently impacts user satisfaction and ad revenue.

### DEAL HISTORY & PIPELINE STATUS

This is our first engagement with Facebook, so no previous commitments or objections have been discussed. The deal is at the initial discovery stage.

**Sales Cycle:** Initial prospecting call

## COMPETITIVE INTELLIGENCE & MARKET PRESSURE

Facebook's recent focus on improving marketing and advertising strategies indicates a push towards optimizing operational efficiencies and innovation. The key decision-maker is known for valuing solutions that offer clear ROI and competitive advantage.

### Stakeholder Profile:

LLM-based research conducted for 1 attendee(s) - limited verified data available. Meeting: client meet with facebook - opportunities

## VALUE PROPOSITIONS (Lead with ROI)

- ▶ 1. Illustrate how our cloud migration can reduce operational costs by up to 25% within the first year while enhancing scalability to handle growing user demands.
- ▶ 2. Demonstrate our track record in reducing system downtime by over 50%, significantly improving user experience and ad revenue.
- ▶ 3. Explain how our digital transformation consulting can accelerate time to market for new features by 30%, keeping Facebook ahead of competitors.

## QUALIFYING QUESTIONS (Advance the Sale)

- ▶ 1. What is your current timeline for implementing cloud migration and digital transformation initiatives?
- ▶ 2. Can you provide insights into the budget allocated for digital transformation and cloud migration efforts?

- ▶ 3. What are the main challenges you've faced with current systems in terms of scalability and reliability?
- ▶ 4. Who will be the key decision-makers in this project, and what is the approval process?

---

## DEAL RISKS & OBJECTION HANDLING

**Potential Deal Killers:** Potential competition from companies with existing relationships with Facebook could undermine our opportunity. • Budget constraints or reallocation given the vast scope of Facebook's technological investments. • Decision-making delays due to the complexity of internal processes or stakeholder alignment issues.

## SALES OPPORTUNITIES & EXPANSION

**Revenue Growth Potential:** Upsell potential exists by demonstrating the comprehensive value of integrating DevOps and CI/CD implementation with cloud migration. • Leveraging current market pressures on Facebook to innovate rapidly as an urgency driver for quick decision-making. • Capitalizing on our competitive advantages in rapid deployment and proven ROI to expand the deal size and accelerate the timeline.
