SALES BRIEFING: facebook client

Meeting: Mon, Sep 15, 09:00 PM

Deal Stage: DISCOVERY

Location: Microsoft Teams Meeting

Key Stakeholders: joshnaacsha@gmail.com

PROSPECT PROFILE & QUALIFICATION

Facebook is focusing on leveraging its platform for marketing, with an emphasis on cost leadership and staying ahead in advertising trends. While the budget range is not explicitly known, the drive towards maximizing advertising efficiency suggests significant investment capability. The pain points likely revolve around the need to streamline digital transformation and cloud migration to support these marketing efforts, with a concrete buying timeline expected to be aggressive to match the pace of advertising trends.

DEAL HISTORY & PIPELINE STATUS

This is the first engagement with Facebook, meaning no prior commitments or objections

have been raised. The deal is at the initial discovery stage, with no budget discussions having taken place yet.

Sales Cycle: Initial prospecting call

COMPETITIVE INTELLIGENCE & MARKET PRESSURE

With Meta for Business emphasizing marketing and cost leadership, the urgency for Facebook to optimize their operations is high. This context, coupled with the focus on staying ahead in advertising trends, suggests that the key decision-maker is likely to have significant authority and be under pressure to make impactful decisions quickly.

VALUE PROPOSITIONS (Lead with ROI)

- ▶ 1. Highlight how our digital transformation consulting can enhance Facebook's marketing efforts by enabling more efficient ad spend and targeting, potentially increasing ROI on marketing investments.
- ▶ 2. Discuss our proven track record in reducing cloud migration costs by up to 25% for similar size companies, leading to more available budget for core activities like advertising.
- ▶ 3. Showcase our DevOps & CI/CD implementation successes, where we've accelerated product development cycles by 40%, allowing for faster response to market changes.

QUALIFYING QUESTIONS (Advance the Sale)

- ▶ 1. Can you share the specific challenges you're facing in digital transformation and cloud migration in the context of supporting your marketing efforts?
- ▶ 2. What timeline are you looking at to implement these changes, and how does this align with your advertising strategy for 2025?

- ▶ 3. Who will be the final decision-maker on this project, and can you walk us through your typical decision-making process for investments of this nature?
 - ▶ 4. What budget have you allocated for addressing these challenges, and how flexible is this budget in the context of achieving desired outcomes?
-

DEAL RISKS & OBJECTION HANDLING

Potential Deal Killers: There may be internal resistance to change or skepticism about the ROI of implementing new technologies for cloud migration and digital transformation. • Competitive threats from other consulting firms who are vying for Facebook's business, with possibly lower cost solutions. • Possible budget constraints or reallocation given the dynamic nature of advertising and marketing trends.

SALES OPPORTUNITIES & EXPANSION

Revenue Growth Potential: Upsell potential exists in offering ongoing support and optimization services post digital transformation, aligning with Facebook's need for agility in advertising. • Creating urgency by demonstrating how our solutions can directly support Facebook's 2025 advertising and marketing objectives, potentially giving them a competitive edge. • Leveraging competitive advantages such as our specific experience with similar scale companies and our track record of cost savings and efficiency improvements.
