SALES BRIEFING: facebook client

Meeting: Mon, Sep 15, 09:30 PM

Deal Stage: FOLLOW-UP

Location: Microsoft Teams Meeting

Key Stakeholders: joshnaacsha@gmail.com

PROSPECT PROFILE & QUALIFICATION

Facebook is looking to optimize its marketing and advertising tools to increase user engagement and ad revenue, with a focus on streamlining operations in a cost-effective manner without compromising performance. They are in the market for solutions with a project completion timeline within the next fiscal quarter.

DEAL HISTORY & PIPELINE STATUS

This is our first formal engagement, currently in the discovery stage. No financial commitments or budget ranges were discussed, but Facebook has expressed a clear need for digital transformation and cloud migration solutions.

DEAL RISKS & OBJECTION HANDLING

Potential Deal Killers: Competition from other consulting firms with established relationships within Facebook or Meta might pose a significant threat. • Potential budget constraints or reallocation, given Facebook's emphasis on cost-effectiveness. • Delays in decision-making due to the complexity of Facebook's internal processes.

SALES OPPORTUNITIES & EXPANSION

Revenue Growth Potential: Highlighting the upsell potential of our DevOps & CI/CD implementation services for operational efficiency could expand the deal size. • Using the fiscal quarter project completion deadline as an urgency driver to accelerate the buying timeline. • Emphasizing our specialized expertise in digital transformation and cloud migration, which is tailored for large-scale operations like Facebook's, as a competitive advantage.
