- ▶ 1. What is your budget range allocated for this cloud migration and digital transformation initiative?
 - ▶ 2. What is the timeline for achieving your desired business outcomes through digital transformation?
 - ▶ 3. Besides [CURRENT CONTACT], who else is involved in the decision-making process?
 - ▶ 4. What are your key criteria for evaluating potential vendors?
-

DEAL RISKS & OBJECTION HANDLING

Potential Deal Killers: Competition from larger consulting firms with established relationships with Acme Corp. Address this by focusing on Cprime's specialized expertise and agility. • Budget limitations impacting the scope of the project. Offer phased implementation options to align with available budget. • Potential for internal resistance to change. Emphasize the benefits of the transformation for all stakeholders and provide comprehensive training and support.

SALES OPPORTUNITIES & EXPANSION

Revenue Growth Potential: Upselling Cprime's comprehensive cloud migration and managed services to increase the deal size and long-term revenue. • Leveraging Acme Corp's need for improved efficiency to position Cprime's DevOps and CI/CD implementation services, accelerating their digital transformation journey. • Expanding the initial scope of the project to include AI integration, showcasing Cprime's forward-thinking approach and expertise in emerging technologies.
