SALES BRIEFING: nestle meeting

Meeting: Thu, Sep 18, 01:00 PM

Deal Stage: DISCOVERY

Location: Microsoft Teams Meeting

Key Stakeholders: thirishudoll511@gmail.com

PROSPECT PROFILE & QUALIFICATION

Nestlé, a global leader in the food and beverage industry, is looking to enhance its IT infrastructure to support its operations across 337 factories in 185 countries. The focus is on digital transformation and cloud migration to improve operational efficiency and reduce system downtime, which currently costs the company significant revenue losses annually.

DEAL HISTORY & PIPELINE STATUS

This is our first engagement with Nestlé. No previous commitments or objections have been discussed. The deal is at the initial discovery stage.

Sales Cycle: Initial prospecting call

COMPETITIVE INTELLIGENCE & MARKET PRESSURE

Nestlé's recent ranking of 50th in the Forbes Global 2000 highlights its industry leadership and financial capability to invest in significant IT infrastructure projects. The key decision-maker's influence and authority in driving digital transformation initiatives are pivotal for project approval.

Stakeholder Profile:

LLM-based research conducted for 1 attendee(s) - limited verified data available. Meeting: nestle meeting

VALUE PROPOSITIONS (Lead with ROI)

- ▶ 1. Highlight how our cloud migration services have helped similar-sized companies achieve a 20% reduction in operational costs within the first year post-migration.
- ▶ 2. Showcase our DevOps & CI/CD implementation success stories where clients have seen a 50% increase in deployment speed, significantly reducing time-to-market.
- ▶ 3. Emphasize our expertise in digital transformation consulting that has led to a 40% improvement in IT system availability and performance for our clients.

QUALIFYING QUESTIONS (Advance the Sale)

- ▶ 1. Can you provide details on the current challenges your IT infrastructure is facing, especially related to operational efficiency and system downtime?
- ▶ 2. What is your budget range for this digital transformation and cloud migration project?
- ▶ 3. Who will be the key decision-makers involved in this project, and what is the typical approval process for projects of this scale?

- ▶ 4. What is your ideal timeline for implementing these changes?

DEAL RISKS & OBJECTION HANDLING

Potential Deal Killers: Potential competition from other IT consulting firms with established relationships with Nestlé. • Concerns around budget allocation for the project, given the scale of the required transformation. • Decision delays due to the complexity of Nestlé's global operational structure and the need for a comprehensive stakeholder buy-in.

SALES OPPORTUNITIES & EXPANSION

Revenue Growth Potential: Upsell potential by demonstrating the long-term cost savings and efficiency gains from our cloud migration and DevOps services. • Create urgency by correlating our digital transformation consulting to immediate operational improvements and competitive advantages in the market. • Leverage Nestlé's global presence to propose a phased rollout plan, starting with high-priority areas, to accelerate the timeline and demonstrate early successes.
